WE CREATE YOUR AI SUCCESS WITH OUR AI FORMULA

PMCC
Your Trusted Project Partner

AI x AI CONSULTING

WHO WE ARE & WHY US?

PMCC, founded in 2007, we obtained valuable experience from EPC project management and system engineering as a diverse and highly competent team. We are the experts in our field and now integrate AI to raise efficiency, productivity and quality upholding our excellent reputation as **"Your Trusted Project Partner".**

WHAT WE DO

- **We are coaches and engineers.** From here, we update your mindset to collaborate with AI in your daily operations aligned with business strategy and the values of your company's culture.
- **We are project managers.** With that, we have a clear scope, time and budget for your tailored AI integration to increase efficiency, raise your standards and ultimately automate processes.
- **We are risk and systems assurance experts.** Therefore, we address cyber security concerns, risk evaluation, advise on do's and don'ts and draft your business continuity plans.
- **With our experience and advanced AI capabilities,** we provide support from initial AI adoption to ongoing optimisation and scaling inclusive training and coaching of your leaders and the teams.
- **We operate holistically.** It's not just the AI tool, it is your leadership that drives the results. Implement our formula: **AI x AI = RESULTS.**

NAVIGATING GLOBALLY

At PMCC, we cover a wide range of sectors, with proven expertise in EPC projects. We're always ready to support your project, no matter the location.
